### Remember to the parents of the upcoming Kindergartener

Please let Marietta Know which School and program; full days or ½ days. We would like that the ½ day children attend School in the am and Childcare in the PM. For the full day child to be in a Part-time space, there will need to be an off-set child. Please keep me informed, let's talk.

### **Please let Marietta know your holidays holiday list at front counter**

**This will help us book required coverage, if needed when staff take theirs holidays. For a daily part-time rate, your monthly schedule needs to be in by the 20<sup>th</sup> of the month before.**

### **To the Parents of the Kindergartener**

The city offers many summer programs that are geared for the more independent and active school age child, please let us know what your plans are for the summer as soon as possible.
